Tiba USA

Your Partner for Project Management in North America

Tiba USA is a project management training and consulting company located in Ann Arbor, Michigan with global headquarters in Munich, Germany.

Our services include the complete range of management consulting, training, and operational support in project management, process management and change management in North America.

Take advantage of our expertise to ensure your success

- Tiba provides consulting services to companies within various industries in order to improve, strengthen, or stabilize project management performance.
- Tiba offers a comprehensive portfolio of services for project management, including consulting, training services, and certification such PMP.
- Tiba's services and capabilities improve a company's project management team's productivity.
- Tiba is your consultant, trainer, and coach. Tiba provides operational, hands-on support for individual projects and assists in the launch and rollout of project management software.

Your benefits

Tiba USA provides the same high quality products and services to the North American market, as Tiba Managementberatung does throughout Europe. We provide consistent process implementation for global projects, along with training and consulting with in-depth understanding of the North American market. In addition we ensure localized support of services and administration.

Our Vision for the future

Tiba USA, as part of Tiba Managementberatung, is a market leader in consulting services, training, project management, and project staff resources. Tiba provides tools and software for project and process management aimed at global and local client organizations.

Our services are consistent and seamlessly implemented throughout the world.
